MM Docket No. \_\_\_\_\_

# PETITION FOR RULE MAKING

## DISCUSSION

Petitioner respectfully submits that the public interest would be served by allocating Channel 263A to Rocksprings, Texas, as that community's first competing FM service. Rocksprings is an incorporated city with a population of 1,552 people according to the Texas State Data Center estimates of January 1, 1998. 63 businesses in Rocksprings have been given a credit rating by Dun & Bradstreet as of March 1999. Rocksprings has its own mayor, Charles Carson, its own school system, its own post office, its own fire department, its own city hall and a number of local churches. The proposed channel 263A will provide additional diversity and an outlet for local self-expression to Rocksprings residents and therefore is in the public interest.

FCC MAIL ROOM

Attached hereto is a channel study confirming that Channel 263A can be allocated to Rocksprings, Texas consistent with the FCC's FM separation rules. See revision of FM Assignment Policies and Procedures, 90 FCC 2d 88 (1992).

Reference coordinates are:

30 01 30 N  
100 20 06 W

Should this petition be granted, and Channel 263A be allotted to Rocksprings, Texas Petitioner will apply for Channel 263A, and after it is authorized, will promptly construct the new facility.

The information provided in this Petition for Rule Making is correct and true to the best of my knowledge.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Katherine Pyeatt", written over a horizontal line.
